

Kane Richard Blust

Las Vegas, Nevada

(323) 428-7550

Objective

My formal training is in Video/Audio production, editing and digital media with over 15 years of experience in the Adobe Suite world. My objective is to become part of team and flourish through providing the best of myself. My interpersonal skills have allowed me to enjoy most tasks put before me, either working alone or in a team of creative people. I strive to make sure our clients are well taken care of and never forget they our our #1 priority.
